

Shipping Policy

All sculptures are carefully packaged to ensure they arrive safely and in perfect condition. Each piece is individually inspected, wrapped, and secured for transit.

Processing Time

Please allow 5–10 business days for order processing before shipment. Custom or made-to-order pieces may require additional time, which will be communicated at the time of purchase.

Shipping Costs

Shipping is **not included** in the purchase price of the artwork. Because each sculpture varies in size, weight, and destination, shipping costs are calculated separately. You will receive a shipping quote and confirmation before your piece is sent.

Shipping Methods

Sculptures are shipped via trusted carriers to ensure reliable and insured delivery. A tracking number will be provided once your order has shipped.

Packaging & Handling

Each sculpture is packaged with care and, when necessary, custom crated for protection. Larger works may require freight shipping; details will be discussed prior to shipment.

International Shipping

International shipping is available on select pieces. Customs duties and import taxes are the responsibility of the buyer and may vary by country.

Damage or Issues

If your sculpture arrives damaged, please contact us within 48 hours of delivery with photos of the packaging and artwork. We'll work with you to resolve the issue promptly.

Local Pickup

Local pickup or delivery may be available upon request. Please contact us to arrange details.
